**PETITION TO WITHDRAW HOLDING OF ABANDONMENT BASED ON FAILURE
TO RECEIVE OFFICE COMMUNICATION
37 CFR § 1.181(a)**

Hon. Commissioner of
Patent & Trademarks
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the Notice of Abandonment mailed 10/28/03, applicants respectfully requests withdrawal of holding of abandonment for the above referenced application in view of applicant's remarks herein.

RECEIVED
DEC 29 2003
TECHNOLOGY CENTER 2800

STATEMENT OF FACTS

Applicant hereby petitions to request withdrawal of the holding of abandonment mailed 10/28/2003. The abandonment was held due to an alleged failure to respond to a Notice of Missing Parts. As detailed below, applicants never received this notice of missing parts and therefore were unable to respond. Applicant submits herewith the appropriate response to the Notice of Missing Parts as well as the proof required to justify withdrawal of the holding of abandonment specified in the MPEP.

According to MPEP § 711.03(c), the showing required to establish nonreceipt of an Office communication must include a statement from the practitioner stating that the Office communication was not received by the practitioner and attesting to the fact that a search of the file jacket and docket records indicates that the Office communication was not received. A copy of the docket record where the nonreceived Office communication would have been entered had it been received and docketed must be attached to and referenced in practitioner's statement.

Accordingly, it is hereby submitted that:

1. A search of the above-referenced patent file, Intel docket number P6344, Ser. No. 09/186,056 was performed, and indicated that the Notice of Missing Parts, allegedly mailed by the Patent Office on 11/19/98 was never received because it was not present in the file.
2. Notably, a request for status was sent to the Patent Office requesting information about the status of the case on 11/6/2000 due to the long latency without any communications being received from the Patent Office.
3. A search of the docket records pertinent to this file was also performed and also

indicated that the Notice of Missing Parts was never received by applicants. A copy of the docket record where the non-received Notice of Missing Parts would have been entered had it been received and docketed is attached.

ACTION REQUESTED

Applicants therefore request that the holding of abandonment based on applicants' alleged failure to respond to the Notice of Missing Parts be withdrawn. Applicant submits that this request was timely submitted within 2 months of the notice of abandonment mailed 10/28/03.

Applicants have submitted herewith the signatures required for this case, although since no notice of missing parts was received, no copy of such notice is enclosed.

If there is a deficiency in fees, please charge our Deposit Acct. No. 02-2666.

Date: 12/19/03

Respectfully submitted,
